Re: RoHS 3 Compliance

To whom it may concern,

With regard to the casting and extrusion of aluminum product, Nanshan meets the requirements specified in:

- Directive 2002/95/EC
- Directive 2011/65/EU
- The amended Annex II – Directive 2015/863 of the European Parliament and Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 3) put into effect on July 22, 2019.

No restricted substances are intentionally added to Nanshan product. Metallic elements are verified with chemical composition testing. This statement is made to the best of our knowledge. This declaration of conformity is issued under the sole responsibility of Nanshan.

Signed for and on behalf of Nanshan America AAT,

Ryan Poxon
Director of Operations
